Colours of the world
Spice up your life
Every boy and girl
Spice up your life
Every boy and girl Spice up your life
People of the world
Spice up your life
aaahh!!!

Chorus

STOP

You just walk in, I make you smile
It's cool but you don't even know me
You take an inch, I run a mile
Can't win you're always right behind me

And we know that you could go and find some other
Take or leave it or just don't even bother
Caught in a craze, it's just a faze
Or will this be around forever

Don't you know it's going too fast
Racing so hard you know it won't last
Don't you know, what can't you see
Slow it down, read the sign, so you know just where you are going

Chorus
Stop Right Now Thank you very much
I need somebody with the human touch
Hey you always on the run
Gotta slow it down baby, gotta have some fun

Do Do Do Do Do (x3) – always be together
Ba da Ba Ba (x3) – stay that way forever

And we know that you could go and find some other
Take or leave it cos we've always got each other
You know who you are and yes, you're gonna breakdown
You've crossed the line so you're gonna have to turnaround

Don't you know it's going too fast
Racing so hard you know it won't last
Don't you know what can't you see
Slow it down, read the sign, so you know just where you are going

Chorus

Gotta keep it down honey, lay your back on the line
Cos I don't care about the money, don't be wasting my time
You need less speed, get off my case
You gotta slow it down baby, just get out of my face

Chorus (x3)

Stop Right Now, we wanna thank you

Stop Right Now, thank you very much

TOO MUCH

Love is blind, as far as the eye can see
Deep and meaningless, words to me
Easy lover, I need a friend
Road to nowhere, twist and turns but will this never end

Well my dear you'll know that he pleases me
But sometimes illusion ain't no revolution
That ain't no release for me

Chorus
Too much of something is bad enough
But something's coming over me to make me wonder
Too much of nothing is just as tough
I need to know the way to feel to keep me satisfied

I wrapped myself from around your finger
Hold me too tight or left to linger
Something fine built to last

Slipped up there I guess we're running out of time too fast

Yes my dear you know he soothes me (moves on)
There's no complication there's no explanation
It's just a groove in me

Too much of something is bad enough (bad enough)
But something's coming over me to make me wonder
Too much of nothing is just as tough (just as tough)
I need to know the way to feel to keep me satisfied

What part of no don't you understand
(understand understand)
I want a man not a boy who thinks he can

Boy who thinks he can

Chorus

Too much of something is bad enough (bad enough)
But somethings coming over me to make me wonder
Too much of nothing is just as tough (just as tough)
I need to know the way to feel to keep me satisfied

Too much of nothing so why don't we give it a try
Too much of something we're gonna be living a lie
(Repeat to end)

SATURDAY NIGHT DIVAS

Chorus
Get down get deeper and down
Get down get deeper and down
Saturday night
Get down deeper and down
Get down get deeper and down
Saturday night
Get down get deeper and down
Get down get deeper and down
Saturday night
Get down deeper and down
Get down get deeper and down

I'm not alone, now you're not in my mind
You were the victim of your crime, I left you behind
Boy you were a fool, to treat me that way
Not going to let you, I'm going to forget you, there's nothing to say

You're a twisted lover, kiss & telling on a superstar
That's what you are
Well it was Saturday night, I know the feeling was right
I didn't know we'd get so far

Chorus

Take it from me, you know I mean what I'm saying
Better watch out, you'd better wise up,
To mind games he's playing
He may have the looks, he may have the charms
But where does he go,
What does he do, when he's not in your arms

Keep your head up high,
Don't you know you are the superfly
And that ain't no lie
Well it's a Saturday night, you know the feeling is right
Don't you know we'll get so high

Chorus

Get down Saturday night

ah ah ah ah ah ah, ah ah ah ah ah ah

You're a twisted lover, kiss & telling on a superstar
That's what you are
Well it was Saturday night, I know the feeling was right
I didn't know we'd get so far

Chorus x2

Wanna get down, wanna get down, wanna get down Saturday night x4

Chorus

NEVER GIVE UP

Whoo

She used to be a chancer, sparkle in the rain
Told me she needed a friend
If she's going crazy, baby's on the way
Seems like the day never ends

Everybody needs some affection (Ah Ah Ah)
Never shines (never shines) gotta try (gotta try)
Wherever you're going

Chorus
Never give up on the good times, gotta believe in the love you find
(Never give it up no, never give it up no oh oh)
Never give up on the good times, living it up is a state of mind
(Never give it up no, never give it up no oh oh)

Bossanova baby, heart is never soul
Shouting but he's never heard
Eyes all wide and open, streets are paved with gold
Someone come back on their word

Everybody needs some affection (Ah Ah Ah)

Never shines (never shines) gotta try (gotta try)
Wherever you're going

Chorus

Down and dirty city, feeling outta place
Maybe you've ran outta time
Treats her like a lady, smile upon her face
Make up the last of the lines
Everybody needs some affection (Ah Ah Ah)
Never shines (never shines) gotta try (gotta try)
Wherever you're going

Chorus

Never give up on the good times, gotta believe in the love you find
(Never give it uuuuupppp)
Never give up on the good times, living it up is a state of mind
(Believe in the love that you find)
Hey now look around, pick yourself up off the ground
I said hey now look around, pick yourself up off the ground (x3)
I said (Never give up) hey now look around,
pick yourself up off the ground
I said hey now look around, pick yourself up off the ground

I said (Never give up) hey now look around,
pick yourself up off the ground
I said hey now look around, pick yourself up off the ground
I said (Never give up) hey now look around,
pick yourself up off the ground

I said never give up (x3)

Never give up on the good times, gotta believe in the love you find
(Never give it up no, never give it up no oh oh)
Never give up on the good times, living it up is a state of mind
(Never give it up no, never give it up no oh oh)
Never give up on the good times, gotta believe in the love you find
(Never give it uuuuupppp)
Never give up on the good times, living it up is a state of mind
Never give up on the good times, gotta believe in the love you find
(Never give it up no, never give it up no oh oh oh)
Never give it up on the good times, living it up is a state of mind
(Never give it up no, never give it up no)

(Fades out over last 4 lines)

DO IT

Wey hey,
Come on, come on, come on

Come on and do it (x 2) Hey
Do it, do it, do it

It's just another keep your eye fixed on the road
Do what your mama said
I will not be told
Keep your mouth shut, keep your legs shut
Go back in your place
Blameless, shameless, damsel in disgrace

Who cares what they say
Because the rules are for breaking
(I'll tell ya)
Who made them anyway
You gotta show what you feel
Don't hide

Chorus
Come on and do it
Don't care how you look, it's just how you feel
Come on and do it
You gotta make it real
Come on and do it
It's time to free what's in your soul
You gotta get it right, this time
Come on freak and lose control

Remember things like this should be seen and never heard
Give a little respect to me & it will be returned
Keep your head down, keep your nose clean
Go back against the wall
Girl there's no way out for you
You are sure to fall

Who cares what they do

Because it's yours for the taking
So it's not for you anyway
Make your own rules to live by

Chorus

You might do the wrong thing for the right reason
Don't just do the right thing to be pleasing
(Be pleasin') Baby

Who cares what they say
Because the rules are for breaking (I'll tell ya)
Who made them anyway
You gotta show what you feel don't hide

Chorus

DENYING

Oh yeah, yeah, come on

You think you're quick
But I'd like to see you keep up with me
You think you're slick
But I'd like to see you pull a trick on me
You think you're so cool
Hey big man you're old school
You think you're smart
But who the hell d'ya think you're talking to

Everyone can see who you are
Take a look at yourself
Tell me why keep on denying

Chorus
Everything you say (denying)
Everything you do
So be a fool to yourself forever more (trying)
Any kind of move (tell me)
So what's it gonna prove
You ain't fooling nobody
You ain't fooling nobody
But yourself

I know you're sweet
But I know you don't want to be seen that way
Admit defeat, win or lose
Who cares it's just a game you play
I know you need me
If you stay that way it's never gonna be
You've got your style
But I know what you really want from me

Everyone can see who you are

Take a look at yourself
Tell me why keep on denying

Chorus

Check yourself, but don't forget yourself
Cos you're denying, (Ha ha - check - ha)
Check yourself, but don't forget yourself
(You're getting everything you are and even everything you need)
That's life - so just check yourself
Everyone can see who you are
Take a look at yourself
Tell me why keep on denying

Chorus

VIVA FOREVER

Do you still remember, how we used to be
Feeling together, believe in whatever
My love has said to me
Both of us were dreamers
Young love in the sun
Felt like my Saviour, my spirit I gave you
We'd only just begun

Hasta Manana, Always be mine

Viva forever, I'll be waiting
Everlasting, like the sun
Live Forever, for the moment
Ever searching for the sun

Yes I still remember, every whispered word
The touch of your skin, giving life from within
Like a love song that I'd heard
Slipping through our fingers, like the sands of time
Promises made, every memory saved
Has reflections in my mind

Hasta Manana, Always be mine

Viva forever, I'll be waiting
Everlasting, like the sun
Live Forever, for the moment
Ever searching for the sun

But we're all alone now, was it just a dream
Feelings untold, they will never be sold
And the secret's safe with me

Hasta Manana, Always be mine

Viva forever, I'll be waiting
Everlasting, like the sun

Live Forever, for the momen
Ever searching for the su

LADY IS A VAMP

But she's got something new
She's a power girl in a 90's world
And she knows just what to do

Chorus
Cos the lady is vamp, she's a vixen not a tramp
She's a dadadadada da da
Come on fellow raise your bets cos you ain't seen nothing yet
She's the top of the top she's the best

Sorry Mr President as far as we know
Norma Jean had a 7 year itch

But she's got something new
She's a power girl in a 90's world
